Au Pair Program

Are you interested in living with an Australian family for a low price while studying with Brisbane College for 3 months or more? Au Pair House is offering an affordable and rewarding program as an accommodation option, while you study with Brisbane College.

Au Pair House is an exchange program, where the au pairs (students) receive a carefully selected family matched to their requirements to live-in for a very affordable price. In exchange for the low price, the au pair helps the family with children and light house work.

The Package (Demi-Pair Dolphin)

- ★ Introduction to a selected family that offers you accommodation with a private bedroom
- ★ Access to all 3 meals included
- ★ Blue card (License to work with children in Australia)
- ★ One-way transfer pick up for arrival
- ★ Booklet about Au Pair duties and responsibilities
- ★ Assistance in English during the stay with the family
- ★ 24 hour phone number to call if any emergency
- ★ Certificate of Completion
- ★ Reference Letter for future jobs
- ★ Map of local areas and local businesses
- ★ Au Pair works up to 20 hours a week with weekends free

Requirements

- ★ Age of 18 or older
- ★ Non-smoker
- ★ Love Children
- ★ Willing to help with house work
- ★ Outgoing personality, active and responsible
- ★ Working Holiday Visa **OR** Student Visa
 - 3 months of stay or more
 - Do not need to speak fluent English
 - Do not need to have experience or childminding qualifications

The total cost for the Demi-Pair Dolphin Package is \$1,298.00. This cost covers 3 – 12 months accommodation.*

To apply for the Au Pair program, please download the application form and send to Brisbane College along with your application for study.

For further information visit www.aupairhouse.com.au.

**Au Pair House does not accept payment until they have found a suitable placement.*
